

Laguna Creek
Council #11236

Knights
Of
Columbus

Everyone Welcome

Men, women & children are welcome. This is a casual, easy going golf outing designed for the entire family. You can be a beginner or a tour pro and still have a blast with the Scramble format. If you would like to golf but can't get a full team of four, fret not. All golfers, singles, twosomes and threesomes can be placed into a team foursome.

Scramble Format

Each team's golfers will tee off and then all the team's golfers hit from the location of the best drive. You will continue to hit and select the best shot location all the way until you hole out. This method of using the best shot for all the players ensures the tourney moves along and that everyone can have fun.
